Education Information

Post Doctorate, University of Reading, Department of Construction Management and Engineering, United Kingdom 1993 - 1994

Doctorate, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, Turkey 1983 - 1990

Postgraduate, Middle East Technical University, Graduate School of Natural and Applied Sciences, Department of Civil Engineering, Turkey 1979 - 1981

Undergraduate, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, Turkey 1974 - 1979

Dissertations

Doctorate, Optimization of Urban Transportation Investments Based on Simplified Travel Demand Model Results for Small and Medium-Sized Cities of Developing Countries, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, 1990

Postgraduate, Economic evaluation techniques of urban transportation alternatives, Middle East Technical University, Graduate School of Natural and Applied Sciences, 1981

Research Areas

Engineering and Technology

Academic Titles / Tasks

Professor, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, 2004 - Continues
Associate Professor, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, 1996 - 2004

Assistant Professor, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, 1990 - 1996

Visiting Lecturer, University of Reading, Department of Construction Management and Engineering, 1993 - 1994

Instructor, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, 1985 - 1990

Research Assistant, Middle East Technical University, Faculty of Engineering, Department of Civil Engineering, 1980 - 1985
