

Prof. AYŞE NURAY KARANCI

Personal Information

Email: karanci@metu.edu.tr

Web: <https://avesis.metu.edu.tr/karanci>

International Researcher IDs

ORCID: 0000-0003-1632-3851

Yoksis Researcher ID: 2772

Education Information

Doctorate, University of Hull, United Kingdom 1976 - 1980

Postgraduate, Liverpool John Moores University, Psikoloji Bolumu/Klinik Psikoloji, United Kingdom 1974 - 1976

Undergraduate, Middle East Technical University, Faculty of Arts and Sciences, Department of Psychology, Turkey 1969 - 1973

Dissertations

Doctorate, Physiological and behavioural effects of cigarette smoking: Implications for classification and treatment, University Of Hull, 1980

Postgraduate, An investigation of an interaction between 'Internal- external' locus of control and self control procedures in the modification of cigarette smoking, Liverpool John Moores University, Psikoloji Bolumu/Klinik Psikoloji, 1976

Academic Titles / Tasks

Professor, Middle East Technical University, Faculty of Arts and Sciences, Department of Psychology, 1980 - 2018

Academic and Administrative Experience

Middle East Technical University, Faculty of Arts and Sciences, Department of Psychology, 1997 - 2003

Middle East Technical University, Graduate School of Social Sciences, 1994 - 1997

Advising Theses

KARANCI A. N., Predictors of depression, anxiety, grief and growth among turkish offspring as caregivers of parents with alzheimer's disease: A multi-method study, Doctorate, Y.AR(Student), 2017

KARANCI A. N., The psychological impacts of indirect exposure to ongoing terrorist attacks on a group of Turkish university students: A qualitative analysis, Postgraduate, D.OKAY(Student), 2017

KARANCI A. N., The Effects of early maladaptive schemas on partners' marital satisfaction: the mediating roles of schema coping styles and perceived partner responsiveness, Postgraduate, S.Akkol(Student), 2017

KARANCI A. N., Predictors of depression, anxiety, grief and growth among Turkish offspring as caregivers of parents with alzheimer's disease: a multi-method study, Doctorate, Y.Ar(Student), 2017

KARANCI A. N., The effects of early maladaptive schemas on each partner's marital satisfaction: the mediating roles of

schema coping styles and perceived partner responsiveness, Postgraduate, S.AKKOL(Student), 2017

KARANCI A. N., The Roles of perceived parental conflict, perceived parenting styles and attachment styles on romantic relationship attitudes, Postgraduate, Ö.Okur(Student), 2016

KARANCI A. N., Effects of perceived parenting conflict, perceived parenting style, and attachment style on romantic relationship attitudes and life satisfaction, Postgraduate, Ö.OKUR(Student), 2016

KARANCI A. N., The determinants of posttraumatic growth and posttraumatic stress among motor vehicle accident survivors: Personality, coping mechanisms, and ruminations, Doctorate, P.ÇAĞLAYAN(Student), 2016

KARANCI A. N., Perceived parenting styles, self-ambivalence, cognitive and emotional regulation in relation to obsessive-compulsive symptomatology, Doctorate, F.ÖZEKİN(Student), 2015

KARANCI A. N., Prevalence rates of traumatic events, probable PTSD and predictors of posttraumatic stress and growth in a community sample from İzmir, Doctorate, E.Gül(Student), 2014

KARANCI A. N., Factors related to psychological resilience among survivors of the earthquakes in van, turkey, Doctorate, G.İKİZER(Student), 2014

KARANCI A. N., The effect of childhood violence history, intimate partner violence, negative attribution style, social support and coping strategies on psychological symptomatology of Turkish professional women, Doctorate, H.EYÜPOĞLU(Student), 2014

KARANCI A. N., Prevalence rates of traumatic events, probable ptsd and predictors of posttraumatic stress and growth in a community sample from ilzmi-r, Doctorate, E.GÜL(Student), 2014

KARANCI A. N., The well-being of siblings of patients with schizophrenia: An evaluation within the transactional stress and coping model, Doctorate, M.MERVE(Student), 2013

KARANCI A. N., Intergenerational transmission of maternal war-related trauma experiences to their offspring's well-being among Turkish Cypriots: Mediator role of parenting styles, Doctorate, N.ÖZÜORÇUN(Student), 2013

KARANCI A. N., Intergenerational transmission of maternal war-related trauma experiences to their offspring's well-being among Turkish Cypriots : mediator role of parenting styles, Doctorate, N.Özüorçun(Student), 2013

KARANCI A. N., Psychological Predictors of Problem Gambling Behaviors, Doctorate, K.Arcan(Student), 2012

KARANCI A. N., The contributory roles of attachment styles, coping and affect regulation strategies on bereavement, Postgraduate, T.Ayaz(Student), 2011

KARANCI A. N., Resilience / vulnerability factors as predictors of Turkish university students' adjustment to college, Doctorate, Ö.Orbay(Student), 2009

KARANCI A. N., A cross-cultural investigation of obsessive compulsive disorder symptomatology: the role of religiosity and religious affiliation, Doctorate, M.Altın(Student), 2009

KARANCI A. N., The effects of brief psychoeducation program on the perceived expressed emotion levels of the outpatient schizophrenic patients and expressed emotion levels and burn out levels of their key relatives, Postgraduate, M.Merve(Student), 2008

KARANCI A. N., The roles of perceived expressed emotion of the schizophrenic patients and the expressed emotion of their caregivers on symptom severity and quality of life, Doctorate, G.Baştuğ(Student), 2008

KARANCI A. N., Perceived parental rearing behaviors, responsibility attitudes and life events as predictors of obsessive compulsive symptomatology: test of a cognitive model, Doctorate, A.Bikem(Student), 2008

KARANCI A. N., Prevalence of traumatic events and determinants of posttraumatic growth in university students, Postgraduate, G.Arıkan(Student), 2007

KARANCI A. N., The psychometric qualities of the knowledge of secure base script-prompt word outline method: multi-sample evaluation of the validity and the reliability, Doctorate, M.Anafarta(Student), 2007

KARANCI A. N., The relationship of expressed emotion and psychosocial variables with the quality of life of haemodialysis patients : an analysis within the conservation of resources model, Doctorate, Ö.Yalçınkaya(Student), 2006

KARANCI A. N., Posttraumatic growth and psychological distress among rheumatoid arthritis patients : an evaluation within the conservation of resources theory, Doctorate, G.Dirik(Student), 2006

KARANCI A. N., Variables related to earthquake preparedness behavior, Postgraduate, M.Şakiroğlu(Student), 2005

KARANCI A. N., The effects of being a neighborhood disaster volunteer on general distress and post-traumatic growth among the survivors of 1999 Marmara earthquake, Postgraduate, Z.Ceren(Student), 2005

KARANCI A. N., Responsibility attitudes and locus of control as predictors of obsessive-compulsive symptomatology : an analysis within the cognitive model, Postgraduate, M.Altın(Student), 2004

KARANCI A. N., Predictive values of social support, coping styles and stress level in posttraumatic growth and burnout levels among the parents of children with autism, Postgraduate, Ö.Elçi(Student), 2004

KARANCI A. N., Predictor variables of psychological distress and perceived growth following motor vehicle accidents, Postgraduate, A.SEVİNÇ(Student), 2004

KARANCI A. N., Perceived social support, coping strategies and stress-related growth as predictors of depression and hopelessness in breast cancer patient. /, Postgraduate, A.Kesimci(Student), 2003
