

## **Prof. AHMET RUMELİ**

### **Personal Information**

**Email:** rumeli@metu.edu.tr

**Web:** <https://avesis.metu.edu.tr/rumeli>

### **Advising Theses**

RUMELİ A., Computer-aided estimation of the flashover performance of polluted high voltage insulators, Doctorate, M.Efe(Student), 2002

RUMELİ A., Theoretical and experimental investigation of flashover performance of water column under standard switching impulse voltage., Postgraduate, G.Yılmaz(Student), 1998

RUMELİ A., Theoretical and experimental investigation of discharge growth over polluted insulation, Postgraduate, M.Efe(Student), 1995

RUMELİ A., Discharge growth over a polluted insulation, Postgraduate, N.Çetin(Student), 1990
