Dissertations

Doctorate, A study on the maintenance of stone monuments in relation to dampness problems, Middle East Technical University, Graduate School of Natural and Applied Sciences, 2001

Postgraduate, A discussion on some reinforced concrete high-rise buildings in Turkey and some general principles for the architects to design high-rise structures, Middle East Technical University, Graduate School of Natural and Applied Sciences, Yapı Bilimleri (YI) (Tezli), 1992

Research Areas

Physical Urban Protection, Structural elements, Building materials

Academic Titles / Tasks

Associate Professor, Middle East Technical University, Faculty of Architecture, Department of Architecture, 2013 - Continues

Associate Professor, Middle East Technical University, Faculty of Architecture, Department of Architecture, 2012 - Continues

Assistant Professor, Middle East Technical University, Faculty of Architecture, Department of Architecture, 2007 - 2012

Academic and Administrative Experience

Middle East Technical University, Faculty of Architecture, Department of Architecture, 2011 - 2014
